

Jungle Surfer Haven

The Jungle Surf Haven, Playa Hermosa, Costa Rica (011-506) 2-643-2468

Directions from Jaco, continue south on the winding main highway as it goes along the ocean cliffs to Playa Hermosa. You will see the row of real estate offices, hotels, and restaurants on your right. Continue past the last restaurant (The Backyard) as the road curves inland to the left. After you curve left you will see a

sign for **Calle Hermosa**. Turn left just before the bus-stop with **escuela PLAYA HERMOSA** on the bottom and **OPERA**

SALVAJE on the top. This is the most important landmark.

Show this picture on the right to any local if you get lost and they will tell you how to get there. Turn left at the bus stop onto the gravel road.

At the bus stop, zero your odometer. It is 2.5 kilometers to the house from that point. On the way you will see cattle on the right and homes and

resorts on the left. At 1.2 kilometers (almost half way), you will pass an intersection where you will see the **Opera Salvaje** and then the school **escuela Playa Hermosa** on the left.

You then curve left and pass over a two lane bridge as you wind further into the jungle. At 2.0 kilometers, the road narrows as you pass over a second one lane bridge. Immediately after the road narrows it begins to wind and you will pass teak tree groves on the left where they are harvesting teak trees for lumber. You start wondering if you have gone too far when you see the monkeys — but trust your odometer!

Suddenly on the left you see a faded white sign with letters saying **FOR SALE** which is our neighborhood. Pass the sign and turn left under the teak pole entry structure with the sewer tile roof. Go straight down the driveway to the back where you will see

two garages. The **Jungle Surf Haven** is the beige house on the left.

Pura Vida!
